

SAVE THE PLANET AND SAVE A BUCK

Everytime you recycle, reuse, reduce, you not only help the environment but you save money too!

THE FIVE R'S - "REUSE"

- Keep a mug in your office instead of using paper cups
- Use sponges or rags instead of paper towels
- Refill pens and pencils, don't toss them
- Use razors with replaceable blades instead of disposable ones
- Put an end to the paper or plastic dilemma - bring a cloth shopping bag to the store
- Rent, borrow, and share items used infrequently

ECO FACTS:

- *In 1995 over 200 of the world landfills were full.*
- *Each person throws away approximately four pounds of garbage every day.*
- *Most families throw away about 88 pounds of plastic every year.*
- *We each use about 12,000 gallons of water every year.*
